## Changes in Game Laws.

The last session of the Legislature, just ended, made a number of important changes in the Fish and Game Laws, the most important being the open season on bass and pickerel, and the dog laws. The new laws will not be out for some time, and we, therefore, publish a brief synopsis of the changes in order to inform our readers and prevent as far as possible innocent violations of the law. Any one who will drop a postal to Ernest L. Jones, State Fish and Game Warden, Madison, will receive a copy of the new laws as soon as they are ready.

1. Open season for black bass, Oswego bass, white bass, calico bass, pickerel, pike and pickerel, May 20th to November 30th. Pickerel and pike may also be taken during the month of January.

2. Permitting dogs to run at large when accompanied by owner, lessee, or custodian, from October 1st to March 1st, but at no time are dogs allowed to run rabbits at night.

3. Open season for duck, geese, etc., September 1st to April 30th.

4. Open season for English snipe, March, April, September, October, November and December; other snipe, known as shore birds, surf culpe or bay snipe, May 1st to December 30th.

## Assuring Cathedral Funds.

Plans for the issuance of \$1,000 insurance policies on the life of each priest of the Roman Catholic Diocese of Newark have been consummated and the 5 per cent. gold bond policy of the Equitable Life Insurance Company has been selected by the special commission appointed by Vicar-General John A. Shepard for the insurance proposition. The Rev. T. A. Wallace, Chancellor of the Diocese, has been appointed Diocesan Insurance Agent, and is authorized to issue all the policies. Elsie & King of Newark will attend to preparation of the policies. Father Wallace will have an assistant to attend to the collection of premiums and annuities. The money acquired from the insurance will be used in the paying of the Cathedral debt, and will take the place of the annual taxation paid by the clergy each year for the Cathedral.

## A Month's Medicine for 25c.

Every bottle of Dr. Howard's Specific for the cure of constipation and dyspepsia contains sixty doses of a remedy that is pleasant and easy to take.

Used according to directions, this is sufficient for a month's treatment. Bought on W. W. Keyler's special half-price offer of a regular-sized 50 cent bottle at half price you get a month's supply of the best medicine in the world for only 25 cents.

Another reason why you should use Dr. Howard's specific, or at least try it, if suffering with constipation, dyspepsia or liver trouble, is the fact that Druggist W. W. Keyler sells every bottle under his personal guarantee to refund the money if the specific does not cure. Many lives are lost by treating the sick for the wrong disease. If you have any of the following symptoms, Dr. Howard's Specific will cure you:

Loss of Appetite, Sick Headache, Distress in Stomach, Sour Stomach, Great Mental Depression, Belching of Gas, Bloating of Stomach, Heartburn, Tired, Stupid Feeling, Lack of Energy, Specks before the Eyes, Constipation, Grawing in the Stomach, Choking Feeling, Pains in Sides and Chest, Stomach Cough, Dull Pains in the Head, Coated Tongue, Melancholy Forebodings, Loss of Sleep, Nervousness, Food after Eating, Bad Dreams.

There are hundreds of people in Bloomfield who are praising this remarkable remedy for restoring them to health. Many of them thought their case incurable, but as Druggist W. W. Keyler told them Dr. Howard's Specific would cost them nothing if it did not help, (they to be the judge), they decided to use it, and are to-day in the best of health.—Advt.
